

We, Exponizer Production (company name), has been appointed as the special design contractor by Fortune Electric Value Co., Ltd. (exhibiting company name), at INTI - Indonesia Technology and Innovation 2026. We hereby guarantee our observance of the exhibition and hall regulations and to deposit a refundable Performance Bond of Rp 10,000,000 with the Organiser, before permission is granted and the necessary entry passes are issued to us to commence work in the hall. As the refundable Performance Bond will be collected by the official venue, on behalf of the Organiser, the deposit is to be made in favour of Jakarta International Expo.

We hereby acknowledge that we have read and understand:

- Guide to Global Standards of Health and Safety at Exhibitions and Conferences
- Site Safety Information
- Exhibition Rules & Regulations
- We hereby declare that we understood. We confirm that our workers have the necessary work permits/work passes and skill to work in Indonesia and at the Exhibition. We would submit the names of all foreign workers that we intend to engage on site to work on the project and follow any other registration requirements by CNG Trade Event Organizer.

Failure to comply with the G-guide, Site Safety Information, Exhibition Rules & Regulations will result in a penalty charge based on organiser's discretion.
